Consent:

I am the owner or the authorized agent for the owner of the animal described above, and I have the authority to execute this consent. I hereby give Dr. Chepelevich and Red Rocks Animal Center and any authorized agents, staff, or representatives of this facility, my consent and authorize them to perform the described operations or procedures.

The nature of these operations or procedures has been explained to me, and I understand what will be done. I have also been informed that there are certain risks and complications associated with any operation or procedure of this type. They have been explained to me as well. I further understand that during the course of the operations or procedures, unforeseen conditions may arise that may necessitate the performance of additional procedures.

I authorize the use of appropriate anesthesia and pain relief medication as needed before or after the procedure. I have been informed that there are risks associated with the use of any medication. I understand that hospital support personnel will be used as deemed necessary by the veterinarian.
